The impact on patient care

An Overview of diagnosis and treatment of all malocclusions

Class 1 / Leeway Space / Class 2 / Class 3 / Crossbite

Dr Steffen Decker is extremely passionate about this subject and belongs to the top
Clear Aligner providers in the world. He has achieved this by predominantly treating
children with Clear Aligners from the age of 5 yrs.

**Take this opportunity to learn the techniques that have taken
orthodontics back into the hands of the Orthodontists!**
